Meadow Barn View Re-Mind Programme

COMMUNITY FUND

HORTICULTURE

- Are you an adult with a learning disability and /or Autism?
- Or a professional, carer or family member looking to help an individual gain new skills for work and life?
- Would you/they like support into work or voluntary roles?

Meadow Barn View Re-Mind programme could be for you

Through National Lottery funding and Leicestershire Adult Learning Services GoLearn! we are offering accredited qualifications in skills for living and work, for FREE. The programme will see you gain skills in areas such as;

- Operating garden equipment safely
- Plant identification and care from seed to harvest
- Sustainability in a work environment
- Health and safety
- Garden maintenance such as weeding, pruning and pest management
- Customer service and appointment booking
- Gain confidence working as part of a team

And many more practical skills to support and enable you find employment or volunteering roles.
